

## DSP Parent and Student Voice:

### Parent feedback to date:

*Just wanted to thank you and all the staff members for how amazing you all are with my son. He's walked home today and said "mum I'm proud to be autistic in in the best school ever". Great start to my weekend knowing he's happy.*

*My child came out today really chuffed with himself, smiling away. He said he'd done maths and some science but also said mum I couldn't help making noises today but I didn't get told off which he was amazed by. I explained to him that it's fine the school understand about noises etc you make so don't worry. He tries to control it a lot but when he's starting to settle in somewhere that's how I know he's becoming comfortable which I'm so happy about :-). He rates it 11/10 and feels so comfortable with lots of the staff members and children in school, to see him as happy as he is makes me so happy, it's down to you all for making him feel so comfortable so thank you again.*

*I'm just so proud of her! Her resilience to this transition, and this new building is just amazing xx*

*To hear my son's progress at his annual review meeting and to see how happy he is coming out of school has been amazing. He struggled all through primary school and I was so scared of him coming here, but he has never been happier and feels like he belongs.*

*As I passed your school today I noticed in the playground a young lad doing his little run up and down autism thing in his own little world on his own just like my son does and I felt quite emotional as my son had trouble with schooling.*

*Thank you for your time and efforts with those with SEN, it is much appreciated.*

*We are so very grateful for everything you have done for both our boys. I have to say in all the schools we have dealt with, you shine above and beyond the rest (I still don't know if you ever sleep? Lol). Fullhurst has the best team for our children that are special, and the children coming through in the years ahead will have the best start in life, you can't bag that up, you are real people making real differences in our children's lives. THANK YOU TO YOU AND YOUR TEAM.*
