

# Fullhurst App Setup Guide

# Fullhurst App

To install on iPhone – Scan the image using your phone camera.

# Fullhurst App

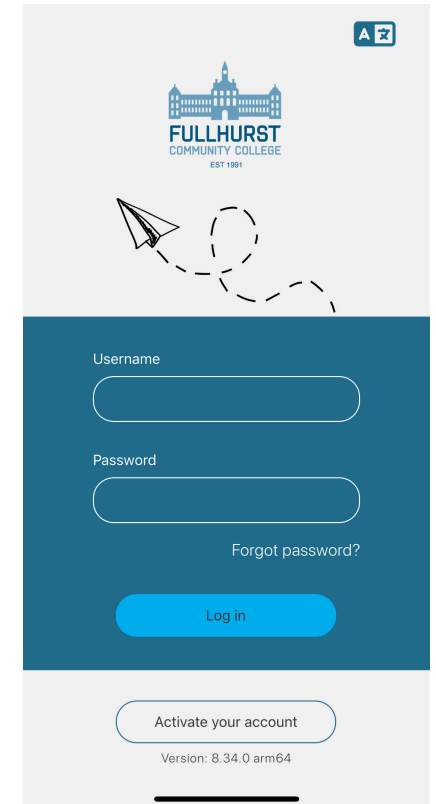

To install on Android - Scan the image using your phone camera.

Alternatively - to install the app simply search for 'Fullhurst' in the App Store and install the app labelled as 'Fullhurst Community College'

Once installed you can sign in with your email address and password.

# Step 1

To set up your account – please click on ‘Activate your account’. We will have emailed this code to you. Please follow the instructions in the email.

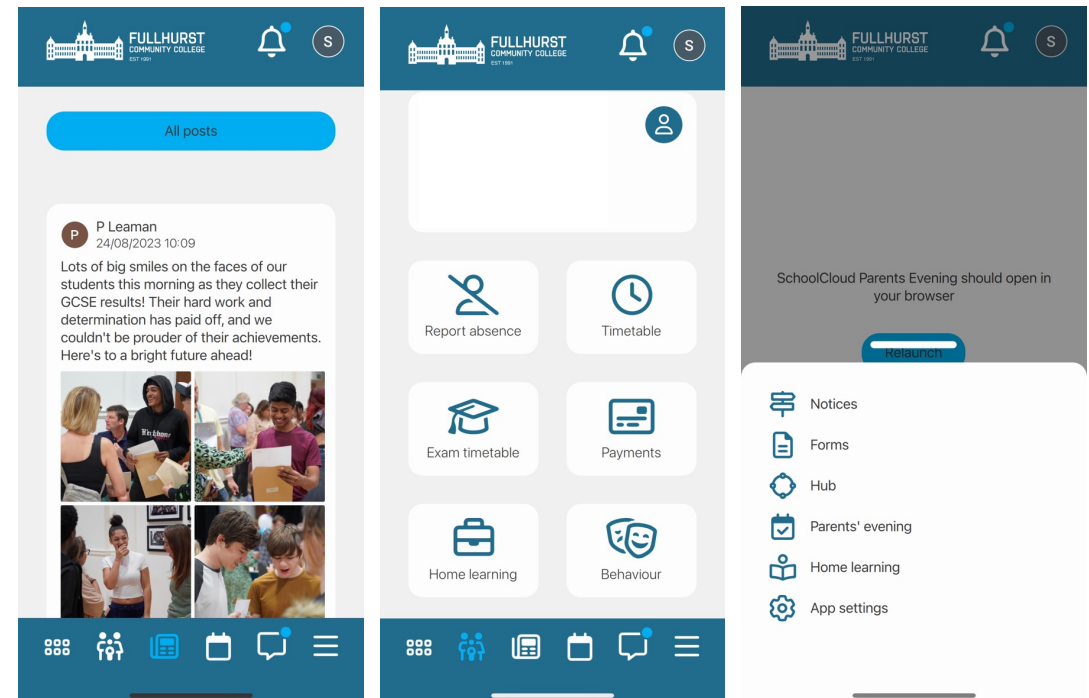

A mobile app interface for Fullhurst Community College. The top section is light grey and contains the college logo and a dashed line with an arrow pointing to the right. Below this is a dark blue section with a login form. The form has two input fields: 'Username' and 'Password'. To the right of the 'Password' field is a link that says 'Forgot password?'. Below the input fields is a blue button labeled 'Log in'. At the bottom of the dark blue section is a light grey section containing a button labeled 'Activate your account'. Below the 'Activate your account' button is the text 'Version: 8.34.0 arm64'.

# Step 2

Once you are logged into the app, this will give you the option to view things such as:

- **Newsfeed** – This is where all important notices will be available to view.
- **User Profile** – This will show student information, teacher lists and school timetable etc.
- **Hub** – This will include important school links etc.
- **Forms** – This is where you can sign and consent for Trips and events at Fullhurst
