

FULLHURST
COMMUNITY COLLEGE
EST. 1991

13th June 2019

Dear Parents / Carers,

I am writing to you with some important information regarding the start to next academic year 2019-20.

As I am sure you are aware from the start of the next academic year, due to the popularity of the school, Fullhurst will be moving over two sites. Fullhurst will be one school, but will have two campuses - our existing site named Imperial Campus and the newly developed old Ellesmere College site named Fosse Campus.

For next academic year only, Fosse Campus will be a base for Year 7 students (those students currently in Year 6 joining us in September) and Imperial Campus will be a base for students in Years 8 to 11 (our current students in Years 7 to 10). The following year Fosse Campus will be a base for students in Years 7 and 8 and Imperial Campus will be a base for students in Years 9 to 11. This will then be the permanent arrangement for Fullhurst running over two sites.

The move into any new build requires a significant amount of work and this will be magnified with us moving into what is effectively a new school. As such, Leicester City Council has advised our governing body that the school requires additional time to facilitate this move and has granted Fullhurst two moving days. This is the same amount of time previously given to other expanding schools in the city and so the governing body of Fullhurst has made the decision to follow this guidance.

Therefore, the students will now return to school after the summer holidays on **Monday 2nd September** and not on Thursday 29th August as had previously been published on our website.

We apologise for any inconvenience this may cause and thank you for your continued support.

Yours sincerely

Steve Piggot
