

Dear Parents,

Thank you for choosing Fullhurst Community College as the secondary school for your child. I know that it is arguably the most important decision parents make; choosing Fullhurst means that you have given your child the very best chance of succeeding both academically and in the wide variety of vocational, sporting, arts, leadership and other opportunities we offer to our students.

Our staff are committed to transforming the lives of our students; our students deserve the best. We have moved from strength to strength and increasing proportions of our students are reaching the very highest levels of attainment. In terms of personal well-being you can be sure that your child will be offered all that s/he needs to develop into a confident, responsible and successful young person.

To make sure that your child is happy and confident about her/his transition to our school, there will be a number of opportunities to meet staff over the next few weeks:

Primary School Visits

We are currently visiting all our primary schools, in arrangement with the headteachers. These visits are an opportunity for pupils to ask any questions they have about transition and life at Fullhurst, to meet the Head of Year 7 and to get an experience of what lessons are like at Fullhurst.

Meetings with Parents

We have been contacting parents to make appointments for you and your child to come into school to meet with a senior member of our staff. This meeting will allow us to discuss our expectations of our students and a few more details of how the school works day-to-day. This will also allow you to have any queries answered.

Monday 1st July – Induction Evening

This evening runs from **6.00pm- 7.15 pm** at the Fosse Campus, Fullhurst Community College.

The evening begins, in the main hall, with an introduction to the school from myself and Mrs Coombs our Key Stage 3 leader, who will talk in some depth about the transition process. As well as this, you and your child will have an opportunity to meet their form tutor, as well as Senior Leaders like Mr Heal and Mr Clark.

During the course of this evening we would like all parents to complete admissions forms to Fullhurst, if these have not already been completed. If they have not, we would ask that you bring with you emergency contact information and doctor's contact details. There will also be an opportunity for you to purchase Fullhurst uniform items during the course of the evening.

Tuesday 2nd July - Induction Day

Our induction day will be held at our Fosse Campus and starts at **8.30 am**. The day will start with an assembly in the main hall and runs until 3.00pm. During the course of the day pupils will experience what lessons are like in all of our different faculties at Fullhurst. As well as this:

- All pupils need to attend in their current school uniform.
- We ask for all pupils to be dropped off and picked up at the front of the school. There will be staff present here at the start and the end of the day.
- All pupils will have a free lunch provided for them.
- All pupils should bring with them equipment to write with, as this will be needed in some of our activities.
- Pupils may bring with them a drink and snack, as they will have a break in the morning.

We look forward to meeting you and your child over the next few weeks. If you have any queries at all please contact Deputy Principal Mr. Heal on cheal@fullhurst.leicester.sch.uk

Yours sincerely

S Piggot
Principal
