

CHANGE STARTS WITH

Anti Bullying Week 2019

We are proud to be launching our first Anti Bullying newsletter at Fullhurst this week and to be able to share with you all the amazing activities that have taken place. The theme of anti-bullying week this year has been 'Change Starts with Us' and we have centred our school activities around this.

There were some great applications for Anti Bullying Ambassadors from both Years 7 & 8, they will be here to help their fellow students in supporting them and reporting concerns of bullying.

At Fullhurst, we can all work together to challenge bullying and make a BIG difference!

Thank you,

Miss Brewster and Miss Priestley

Being the Change

In support of the cause, both staff and students wore odd socks on Tuesday to highlight the differences we all have.

Behind this light hearted concept was the idea that bullying is a serious issue which we all should be aware of.

This week's assembly focus was anti-bullying. These were delivered by Heads of Year who ensured that students reflected on the serious and hurtful nature of bullying.

During form time, students took part in a range of activities from designing posters to playing games.
