

**FULLHURST**  
COMMUNITY COLLEGE  
EST. 1991

Dear Parent/Carer,

I am sure that you are aware of the current situation around the Coronavirus. I want to reassure you that we are following the government guidance and monitoring the situation carefully. The link to access the current government guidance can be found on our website and also here: <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

The current guidance states:

- To stay at home for 7 days if you have either a high temperature or a new continuous cough.
- That you do not need to call NHS 111 to go into self-isolation. If your symptoms worsen during home isolation or are no better after 7 days' contact NHS 111.
- The importance of washing hands regularly and effectively. This means washing them for 20 seconds with soap and water.

We have and will again be speaking to our students about this advice and I urge you to please talk to your child. If you feel your child needs to stay at home because they are presenting the symptoms associated with the Coronavirus, please contact the school in the usual way and inform us.

At the present time the government is not suggesting that schools close. However, the rules regarding self-isolation apply to staff too, which means that there may well be some disruption to lessons over the coming weeks and months. We will do our best to minimise the impact this may have. If there is any change in this situation, we will contact you directly and put information on our website and Twitter.

As a precaution we are postponing all trips and activities that were planned to take place outside of Leicestershire. We will contact you individually if your son/daughter has already signed up for any of these.

Thank you for your support, with this unprecedented issue. If you have any concerns, please contact the school.

Yours sincerely,

S Piggot  
Principal
