

10th June 2020

Dear Parents/ Carers,

I am writing to you following my letter on the 2nd June and our subsequent phone calls about our plans for some face-to-face support for Year 10 students, in accordance with the government's guidance for secondary schools published on the 26th May.

Our proposed risk assessment and associated plans have been shared with parents and staff and updated based on feedback. These have now been passed to our governing body for approval.

The decision of whether to welcome back Year 10 students, in Leicester City Schools, is one that can only be made by governing bodies. Due to the importance of this decision, time needs to be given to consider all aspects of the risk assessment, as well as allowing enough time for this decision to be communicated to you. The priority in our plans has and will continue to be the safety of students and staff at Fullhurst. Considering all of this, we hope to have final approval from the governing body on **Thursday 11th June**.

If the decision of the governing body is to proceed with these plans and associated risk assessment, we will call all families individually with details of what day students should attend school. Additionally, we will provide all families in Year 10 with a summary of our expectations for students, which are covered in the risk assessment and proposed plans. These expectations will then be revisited when students attend school.

We hope to welcome Year 10 students back next week. However, until we have called you, you must assume we are not open to more students. Therefore, **if we do not make contact with yourselves, please do not send your child to school next week** and continue to access our home learning.

Thank you for your support and we hope that you and your family are remaining safe and well.

Yours sincerely,

Steve Piggot
Principal
