

5<sup>th</sup> January 21

Dear Parents and Carers,

We hope you are keeping safe and well.

We are writing following the announcement yesterday evening about the national lockdown. It has now been made clear that during the period of national lockdown, schools and colleges will remain open to vulnerable children and the children of critical workers only. All other students will learn remotely until February half term.

We have opened today to vulnerable students and children of critical workers who needed to attend after contacting parents/carers yesterday by phone. All other students were set remote learning and this daily setting of remote learning in line with student's normal timetables will continue during the period of the national lockdown.

If your child receives free school meals we will be sending you one voucher to cover Monday 4<sup>th</sup> January to Friday 19<sup>th</sup> February. You will receive this voucher from Edenred via the email address you have registered with the school. If you have any issues with this please contact [office@fullhurst.leicester.sch.uk](mailto:office@fullhurst.leicester.sch.uk).

We will be sending further communication via the app during this period. Information about how to download our app is available on:

Thank you for your patience and continued support. We hope you and your family continue to remain safe and well.

Yours sincerely,
